The PWD refers to the election of mr y K s Laxmana Setty as vice president of the Nanjangud Town Municipality Certain members have challenged the validity of the election on the grounds that the election should be postponed because the election of the president is not yet approved and that voting by ballot was bad (Fg Z) (Fg V) in the letter from the President of the Council asking for approval of the election of the Vice president (Fg W) in the proceedings of the meeting held on 18 7 64 (Fg X) in the application for adjournment of the meeting (Fg Y) in the report of the Sub Divisional officer

The point for consideration is whether the election is bad ~~on the~~ because the election of the president is ~~not effectually~~ pending approval and whether the voting by ballot was bad

From the connected file of the election of the President was submitted to the L S G branch on 24 8 64 and it is informally ascertained that final orders are not yet passed Kind ref is invited to the report of the S D O (Fg Y) in this regard both with regard to the second objection raised, the Kind ref is invited to the Rules regulating the election of V P of Town Municipal Council

Election of one YKS Laxmana Setty as Vice President of Nayanagud Town Municipality

2087 3

Rules 6(3) and Rule 7 (2) which prescribe that the voting be by ballot and that in case there are more than two candidates, the one who obtains the fewest votes be eliminated and the votes taken in case of equality, the lots will be cast and vote again taken if there are two candidates. The procedure followed by the President (Fo 4) appears to be valid under the law

Approval/election of the president does not appear to be a necessary condition precedent to the approval of the election of the vice-president submitted for orders. Whether under the circumstances the election of one YK S Laxmana setty as Vice-President is approved as per rule 11 of the election rules

The objection in this case is wholly unmerited as appears right to be the election held is valid

Election of Vice-President to Nanjangud Town Municipal Council

I have the honour to forward herewith a copy of letter No H C 2/44-45 dated the 14th July 1944, from the President, Town Municipal Council, Nanjangud, on the above subject, and to state that the Amildar-President conducted the election of a Vice-President to the Nanjangud Town Municipal Council on the 14th July 1944 Out of the 21 councillors, 18 were present at the Meeting held for electing a Vice-President and exercised their votes

The Municipal Council was reconstituted for a period of three years with effect from 15th May 1944 The Municipal Council at their Meeting held on 9th June 1944 resolved that there is an absolute necessity for a Vice-President A copy of the resolution is enclosed for reference

Three candidates - viz , Messrs Y K S Lakshmana Setty, D Ganganna and N C Sivanna were nominated as candidates for the Office of the Vice-President On the day of election, votes were taken by ballot and the results in the first round were as noted below:-

Name	No of votes secured
Messrs Y K S Lakshmana Setty	12
D Ganganna	3
N C Sivanna	3

As the latter two candidates secured equal number of votes, it was put to lot and Mr N C Sivanna came out successful As such the name of Mr D Ganganna, was eliminated in the first round

Votes were taken for the second round by ballot for the remaining two candidates and the votes secured by each of them are noted below

Mr Y K S Lakshmana Setty	12
Mr N C Sivanna	6

The Municipal Council, thereupon, declared Mr Y K S Lakshmana Setty, who secured the highest number of votes, as duly elected Vice-President, to the Municipal Council

In the meanwhile, on the day of election, a petition signed by two councillors was presented to the President, praying for adjournment of the Vice-President's election pending final orders of Government regarding the validity of

---

of Mr A V Krishnan , as Non-official President to the Municipal Council and the Amildar-President did not allow the objection raised in the petition at the time of election of the Vice-President The petition in original with the remarks of the Amildar-President is herewith enclosed for reference.

Again, another petition signed by three Municipal Councillors raising the same objections was received in this Office on 19th July 1944 and the same was referred to the Sub Division Officer, Nanjangud, for holding an enquiry into the objections under Rule 13 of the Election Rules regulated for the election of Vice-President to the Town Municipal Councils The Sub Division Officer, held a detailed enquiry into the question and has submitted a report as to the result of his enquiry His report with the written statements of the parties etc , are herein enclosed He is of opinion that for the reasons set forth in his letter, the objections of the petitioners are untenable and the election of Mr Y K S Lakshmana Setty, as Vice-President has to be declared valid and upheld I concur with him

Under the above circumstances, I request that under Rule 11 of the Election Rules, the name of the elected candidate, viz , Mr Y K S Lakshmana Setty may kindly be caused to be published in the Official Gazette

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District
